WinterTech 2011-2012

WeRelate Overview

Wednesday, November 9, 2011

2:30 PM - 3:30 PM

Meeting Room C

Cynthia Theusch

Explore a unique wiki-base website designed for genealogists. Find out how you can work with other genealogists by posting new pages and adding genealogical data to existing pages. In addition, you will learn about uploading images, documents and GEDCOM files. Discover other unique features that WeRelate has to offer, and how you can really tell others about your ancestors.

Locating Books Online

Wednesday, December 14, 2011

2:30 PM - 3:30 PM

Meeting Room C

Delia Bourne

Isn't it wonderful to come to the Genealogy Center and find books on families and places? As exciting as that is, we don't have everything. Find out how to discover other volumes that might interest you, and how you might be able to locate (and maybe even view!) them.

Catalog Tour (2 hours)

Wednesday, January 11, 2012

2:30 PM - 4:30 PM

Meeting Room C

Melissa Shimkus & Aaron Smith

How to locate a book? Where are the call numbers? How to make a list? Find out all this and more by taking a virtual tour of The Genealogy Center catalog.

Exploring Origins.net for Your British, Irish & Scots Ancestors

Wednesday, February 8, 2012

2:30 PM - 3:30 PM

Meeting Room C

Steve Myers

Learn about the many databases, CD products, research articles and other resources available through The Genealogy Center's subscription to the Origins Network.

**Registration required for all programs.
