Using America's GenealogyBank to Find Obituaries and More!

SATURDAY, JUNE 29, 2019, 2:30 P.M., DISCOVERY CENTER

America's GenealogyBank is one of the new databases added to The Genealogy Center's On-Site Databases this year. It contains database collections of Historical Newspapers (1690-1922), Historical Books (1749-1900), Historical Documents (1789-1994), and America's Obituaries (1977-current). The obituary components of this resource make it a particularly valuable tool for genealogy research. — Allison DePrey Singleton
