### **DNA and Businesses**

- 929 H251howa How to Open DNA-Driven Genealogy Reporting & Interpreting Businesses

## Testing Companies and DNA Analyzing Websites

---

### **Ancestry ([www.ancestry.com](http://www.ancestry.com))**

Tests only autosomal DNA. Results viewable by testee without subscription, however to view extensive family trees attached to the results, must have subscription to Ancestry.com.

### **Family Tree DNA ([www.familytreedna.com](http://www.familytreedna.com))**

Tests autosomal, Y and mitochondrial DNA

### **Living DNA ([www.livingdna.com](http://www.livingdna.com))**

Tests only autosomal DNA. Results include ethnicity estimate and haplogroup; but no matching with other testees at this time. Based in the United Kingdom.

### **MyHeritage DNA ([www.myheritage.com](http://www.myheritage.com))**

Tests only autosomal DNA. Results are viewable by testee without subscription to site.

### **23andme ([www.23andme.com](http://www.23andme.com))**

Tests only autosomal DNA, but also provides some health information for an additional fee.

### **GEDMatch ([www.gedmatch.com](http://www.gedmatch.com))**

A free website that allows for the uploading of autosomal test results from other companies and provides extensive means of comparing the results.
